Living the Gospel through immediate mental health services

Mental health problems can escalate if not addressed quickly. That's why the five Catholic Family Services agencies in the Archdiocese of Toronto now offer walk-in counselling. This initiative can often meet clients' need without requiring longer term counselling. Clients report a clinically significant increase in confidence that they can tackle their problems. By supporting ShareLife, you're helping restore hope to those in crisis.

April 22 is the next ShareLife Sunday.

Please give generously.
